Section 63.71 Application of Worldwide Telecommunications Inc.

Worldwide Telecommunications Inc. ("Worldwide Telecommunications" or "Applicant"), hereby seeks authorization pursuant to Section 214 (a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, to discontinue the provision of intrastate and interstate long distance services in the states of Arkansas, Iowa, Michigan, Missouri, Ohio, Virginia and Washington.

Applicant is considered a non-dominant telecommunications carrier with respect to all of its services, including those affected by the proposed discontinuance.

Worldwide Telecommunications provides the following information pursuant to Section 63.71 of the Commission's rules:

1. *Name and corporate headquarters address of Carrier*

Worldwide Telecommunications Inc.
4505 Las Virgenes Road
Suite 115
Calabasas, CA 91302

Correspondence concerning this Application should be sent to:

Sharon R. Warren
Consultant to Worldwide Telecommunications Inc.
Inteserra Consulting Group, Inc.
151 Southhall Lane, Suite 450
Maitland, FL 32751
Telephone: 407-740-3005
Facsimile: 407-740-0613
E-Mail: swarren@inteserra.com

2. *Date of Planned Service Discontinuance, Reduction or Impairment:*

Worldwide Telecommunications proposes to discontinue the services that are the subject of this Application on or about December 19, 2018, pending required federal and state regulatory approval of the discontinuance.

3. *Points of Geographic Areas of Service Affected:*

Worldwide Telecommunications will discontinue service in Arkansas, Iowa, Michigan, Missouri, Ohio and Washington.

4. *Brief Description of Types of Service Affected and Reason for Discontinuance:*

Worldwide Telecommunications proposes to discontinue all service in Arkansas, Iowa, Michigan, Missouri, Ohio and Washington.

The services are being discontinued because Worldwide Telecommunications has a very small base in the affected states and does not anticipate growth in customer base. Consequentially, it is not economically viable to continue to offer service in these states. As described below, Worldwide Telecommunications is providing all affected customers with ample notice of the discontinuance.

5. *Brief Description of Dates and Methods of Notice to All Affected Customers:*

The Applicant has provided written customer notice of the planned discontinuance in accordance with the requirements of section 63.71 (a) of the Commission's Rules. Notice was provided via E-mail to all affected customers on November 19, 2018. The notice is attached as Exhibit A.

A copy of this Application is being sent to the state regulatory commissions and governors' offices in all affected states, as well as the Department of Defense, as required under Section 63.71, concurrent with this filing. A service list is provided in Exhibit B.

Conclusion

Worldwide Telecommunications Inc. respectfully requests that the Commission approve its Section 63.71 Application to discontinue the services described herein. Pursuant to Section 214(a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, Worldwide Telecommunications understands that this application will be automatically granted on the 31st day after the Public Notice is released, with no Commission notification to the Company, unless the Commission has notified the Company that the grant will not be automatically effective.

Dated this 20 day of November, 2018.

IMPORTANT INFORMATION REGARDING YOUR WORLDWIDE TELECOMMUNICATIONS, INC. SERVICES

YOU MUST CHOOSE A NEW LONG DISTANCE TELEPHONE SERVICE PROVIDER!

Dear Valued WTI Customer:

Thank you for being a valued Worldwide Telecommunications, Inc (WTI) customer. This letter is to inform you that WTI is changing its telephone services offerings and that effective on December 19th 2018 WTI will no longer be providing its current phone service in your community.

YOUR ACTION IS REQUIRED!

Because WTI will discontinue all Long Distance Services in your area as of December 19, 2018 you need to select a new telephone service provider as soon as possible if you wish to assure continuity of service. You do have the option to purchase Long Distance services from other service providers in your area.

Pending state and federal regulatory approval where applicable, Worldwide Telecommunications, Inc. will be discontinuing the following services on or after December 19, 2018 in the following states: Washington, Missouri, Ohio, Arkansas, Michigan, Iowa and Virginia: Long Distance dialing and Toll Free Termination services.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file them electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Worldwide Telecommunications, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service. Worldwide Telecommunications Customer Service can be reached at the toll-free number on your bill or V/TTY at 711. Worldwide Telecommunications, Inc., 4505 Las Virgenes Road, Suite 115, Calabasas, CA. 91302.

If you do not switch your service to another provider before December 19, 2018 your service will be terminated and you may not be able to make Long Distance Calls. **Please take action NOW to avoid interruption in your service.**

If you have any questions, please call WTI Customer Service at 877-967-7746.

Sincerely,

Worldwide Telecommunications, Inc.
